Flash Presentation & Poster Session Deadline: July 1, 2016

Poster session for development and application of analytical instruments, including sample preparation methods and data analysis, will be held in Makuhari-Messe. We welcome submissions from academic, public institutional and industrial researchers. We also welcome ongoing projects, and proposals for collaboration. Each poster presenter will have a short presentation before the session.

Poster Prizes

- ▶ RSC Best Presentation ("Analyst" Poster Prize) (top 3 posters)
- ▶ Poster Presentation Award (top 10 posters)

JASIS 2016

JASIS 2016, the largest Japanese exhibition on analytical instruments, will be held at Makuhari-Messe between September 7th and 9th. We hope the presenters and attendees to enjoy both science and technology discussion on the sessions, and seeking the latest analytical instruments on the exhibition.
