

JAIMA Discussion on Analytical Science and Technology 2011

- Flash Presentation and Poster Session -

International Session, JAIMA Conference

Makuhari Messe, Chiba; September 8, 2011

Science and Technology Discussion Forum

Poster session for development and application of analytical instruments, including sample preparation methods and data analysis, will be held in Makuhari-Messe on September 8th.

We welcome submission from academic, public institutional and industrial researchers. We also welcome ongoing project, and proposal of collaboration.

Each poster presenter will have a 60-90 s flash presentation before the session.

JAIMA Expo. 2011, the largest Japanese Exhibition on Analytical Instruments, will be held in Makuhari-Messe between September 7th and 9th. We hope the presenter and attendee to enjoy both science & technology discussion on the session, and seeking the latest analytical instruments on the exhibition.

Poster prizes will be awarded to several posters, including both scientific and technological ones.
