

**JAIMA: "Nanotechnology & Carbon Neutral Symposium" to be Held in
Bangkok, Thailand**

TOKYO--(BUSINESS WIRE)-- The Japan Analytical Instruments Manufacturers' Association (JAIMA, address: 2-5-16 Kanda Nishiki-cho, Chiyoda-ku, Tokyo 101-0054, President: Masayuki Adachi/President of Horiba, Ltd.) is an industrial association of analytical and measuring instrument manufacturers where its committees are engaged in activities in the fields of technical affairs, public relations, standardization, statistics, intellectual property, and more. In the overseas market, we work to solve social issues through analytical and measuring technologies in cooperation with related organizations by organizing various activities.

JAIMA holds a symposium in Bangkok every year, and in 2026, we plan to organize a symposium on "Nanotechnology and Carbon Neutrality." This event will bring together government agencies, research institutes, and related companies from both Thailand and Japan to share their experiences and knowledge, focusing on strategies for achieving a carbon-neutral society through advanced nanotechnology. We would appreciate it if you could join us.

Outline

1. Date:
Friday, January 30, 2026
2. Schedule:
Symposium Sessions: 8:30 AM – 12:30 PM (Thailand Time) / 10:30 AM – 2:30 PM (Japan Time)
Networking Lunch: 12:40 PM – 2:20 PM (Thailand Time) at AVANI Hotel Restaurant
3. Location (onsite and online):
AVANI Sukhumvit Hotel, Cashmere Room (Direct access from BTS On Nut Station, Bangkok)
This meeting will also be provided via Zoom arranged by JAIMA.
(Zoom link will be provided by JAIMA after registration)
4. Language:
Presenters may speak in Japanese, English or Thai. (Materials will be provided in English; Japanese presentations will be interpreted into Thai onsite)
5. Fee: Free (Includes symposium participation and networking lunch)
6. Registration:
https://www.jaima.or.jp/en/apply_thaisympo

7. Organizer:

Japan Analytical Instruments Manufacturers' Association (JAIMA)

8. Supported by:

- Embassy of Japan in Thailand
- JETRO (Japan External Trade Organization)
- JICA (Japan International Cooperation Agency)

Collaborators & Presentations:

- Special Lecture: Prof. Noriaki Sano, Ph.D., Graduate School of Engineering, Kyoto University
- Academic Lectures from leading institutions including:
 - NSTDA-NANOTEC (National Nanotechnology Center, Thailand)
 - TISTR (Thailand Institute of Scientific and Technological Research)
 - Chulalongkorn University (Dr.Tawatchai Charinpanitkul, Dept. of Chemical Engineering)
 - Technical Solutions Presentations by JAIMA Member Companies
